The draw and the results: compulsory Poomsae. The draw and the results of the Poomsae will be performed by the competition board on <https://tms.vbs-sol.com/>

On principle, all members of a pair/team must be of the appropriate age.

Exception: In the junior category, a pair/ team can consist of juniors and cadets, but in any case, they will have to compete in the Junior class.

System of Competition "A" CLASS - Cut off system

1st round Preliminary: When 20 or more contestants are participating: Contestants shall perform the two assigned compulsory Poomsae, and half from each group shall advance to the semi-final based on their points. In the preliminary round, each group might be judged by a different group of judges. If the number of contestants is odd, then the number is rounded to be an even number, e.g. if there are 13 contestants in the group, 13 contestants are considered as 14 contestants and 7 contestants shall advance to semi-final.

2nd round Semi-final: When 9 to 19 contestants are participating: The competition shall start from semi-final round. Contestants shall perform the two assigned compulsory Poomsae and 8 of them shall advance to the final, on the basis of their points.

3rd round Final: When 8 or fewer contestants are participating: The competition shall start from the final round. Contestants shall perform two Poomsae, in accordance with the drawing of lots.

Note: The organizer reserves the right to reduce the number of Poomsae to be performed in the preliminary and in semi-final round to 1 (one) form.

Procedure in case of equal score:

In case there is a tied score after the completion of the preliminary round, at the last place of the best 50%, respectively on the 8th rank of the semi-final round, the points in the presentation will be the determining factor for advancement to the next round. If this score is equal as well, all competitors in question will advance.

In case there is a tied score after the completion of the final round on the rank 1, 2, or 3, the contestant who is awarded more points in the presentation shall be declared as a winner. In case the score is still tied, the contestant who has more total points (including highest and lowest) shall be the winner. If the score is tied after the addition of the total points, competitors shall have a rematch. The referee will decide about the Poomsae to be performed (in any case it will be one of the compulsory Poomsae).
